A number of terms are used throughout the questionnaire. Definitions are provided below. Please note that these definitions are exclusively intended to assist in clarifying the terms used in this questionnaire.

- **Oversight body:** Some NCPs have an oversight body, which has a monitoring role, for example on whether the NCP has followed its own rules of procedures. They can include representatives from trade unions, NGOs, business and/or academia, along with representatives of other government ministries or agencies. They do not normally form part of the NCP and do not have decision-making power on accepting or concluding specific instances.
